(OSA-0099-63)

1. For our conversation in the hall the other day, this is to remind you that you remain delinquent in advising this staff of the dollar amounts involved in EAD activities. As the fiscal year is now drawing rapidly to a close, it is imperative that we be provided with a detailed statement of EAD's best funding and projected commitments through 30 June 1963.

2. It would be appreciated if this information is provided the Program Staff as soon as possible.
